- Place your order at [www.stamperdog.com/shop](http://www.stamperdog.com/shop) or email it to me at [buystamps@stamperdog.com](mailto:buystamps@stamperdog.com).
- For every \$50 (before tax & shipping) of your online order, you earn a Stamping Snack. Separate orders may not be combined to earn a Snack. EXAMPLE: an order of \$49 would NOT qualify for a Snack, but an order of \$101 would qualify for TWO.
- Clearance Rack items are included, but kits & product shares (like Sweet Treats) are not included.
- Product orders of \$150+ will also earn Stampin' Rewards from Stampin' Up! (AKA Hostess Benefits)
- You are responsible for tracking your orders and SNACKS (see chart above).
- When you earn 10 SNACKS, send me an email with the details with your choice of Framelit or stamp set (hostess stamps are excluded). I will verify & send your gift. (One customer per tracking sheet.)
- SNACKS only stay fresh one year from your initial purchase and must be redeemed within 60 days.
