CARDSTOCK:

Garden Green #126973: 4-1/4" x 10-1/2" Whisper White #100730: small scrap
 DSP: 2 pieces 3-1/2" x 4" cut in half to 1-3/4" x 4"

INK: Real Red #126949

1. Score Garden Green card stock down the long side at 2-1/2" and 6-3/4". Turn over and score 1" from other end.
2. Burnish folds with Bone Folder as in video. (ie: First two folds are valley folds & the one from the other end is a mountain fold.)
3. Use Sticky Strip to close the sides of the pocket area.
4. Attach 2 pieces of DSP to the upper and lower front panels of the holder lining up near the fold. Be sure that they're facing the right way so that they're right side up and that they continue from one panel to the other. The 1" flap will be on the lower panel.

5. Lay about 20" of ribbon across under the 1" flap. Apply Sticky Strip to close 1" flap and encase the ribbon.
6. Stamp greeting in Real Red onto Whisper White scrap. Punch out with the Note Tag Punch. Attach to front top flap with Stampin' Dimensionals.
7. Tie the ribbon on the right of the greeting, channeling the ribbon under the tag.
8. Enjoy!
