### How to:

1. Score the card stock at 5-1/2". Fold and crease with Bone Folder.
2. Using the middle tree from the Perfect Pines Framelits, run the card through the Big Shot, placing the tree slightly above the middle of the card.
3. Open the card (so you won't get stray ink on the inside) and stamp the star in Crushed Curry, present in Pacific Point, and ornaments in Real Red.
4. Stamp the tree image on the Stamp-A-Ma-Jig imaging sheet.
5. Position the tree on the imaging sheet on the inside of the card. Stamp the tree in Garden Green, using the Stamp-A-Ma-Jig positioner.
